

## Curriculum Enrichment

The institution is gearing up the process of curricular planning and implementation by adoption of following planning and delivery mechanism in a meticulous way.

- Course wise planning for every semester with most suitable teaching techniques.
- Ensuring compliance by adhering to academic schedule
- Allocation of teaching assignments based on propensity to courses.
- Standard interactive system in a time bound manner with all stakeholders
- Skill enhancement programmes alongside delivering core content by schedule.

The institution is indebted to the process of social building in a most obliging way which is evident through

- Year around gender sensitization projects cutting across all academic programmes in the campus besides what is mandated by the syllabus.
- Exemplification of environmental consciousness through Green campus initiative
- Harnessing alternate sources of energy by resorting to solar powered power back up system
- Serving humanity through the cause of education under the banner of Coimbatore welfare Association( CWA)
- Ensuring professional ambience by getting subjecting ourselves to all legal compliance mechanism.
- Highly responsive to student's vocational aspirations by imparting job skills.
